Dear Mr. and Mrs. Huber,

RE: University of British Columbia Phase 3 Solar Hot Water Project

On behalf of UBC Properties Trust, we would like to thank you for your contribution to Phase 3 of the Student Residences. Your extensive knowledge of the solar hot water system was clearly demonstrated through your ability to meet tight deadlines and immediately respond to any construction or design issues.

Your efforts chasing government rebates even after project completion were greatly appreciated by both UBC Properties Trust and UBC Housing and clearly demonstrated the outstanding commitment to your clients

I would absolutely recommend Swiss Solar Tech to anyone exploring solar powered alternatives.

Sincerely,

UBC PROPERTIES TRUST
